Message from the Marshal

Troops,

We did it! We achieved our 2018 goals. Thanks to each of you, we exceeded the expectations set forth by the Department. Our first accomplishment was attained by receiving an outstanding audit report from the Georgia Bureau of Investigation for being in compliance with the maintenance of warrants that are housed on our GCIC/ NCIC Warrant System. Next, we not only were reaccredited by the Commission on Accreditation for Law Enforcement Agencies for the 8th time, but surpassed it with receiving the Gold Standard with Excellence during the assessment. Finally, our vision of someday equipping our troops with Body Worn Cameras has become a reality.

With the start of a new year, I continue to appreciate your noble dedication to service the citizens of Fulton County. I am also grateful to you for allowing me to lead for the past eleven years and pray that as we embark on this final year of this term it will continue to be safe for all.

Marshal Antonio R. Johnson

Junior Deputy Program

Sgt. M. Hadley

Cpl. D. Stallworth

The Junior Deputy program is designed to build superior character, form leadership skills, promote good citizenship, enhance personal and mental fitness and to possibly interest participants in law enforcement careers.

During the week the program participants toured the Fulton County Courthouse, the 911 Communications Call Center, the Juvenile Courthouse Detention Facility and the Fulton County Jail. They learned CPR, took a course on Emergency Management Preparedness, Defensive Tactics, Crisis Intervention, crime scene investigations, courtroom procedures and the G.R.E.A.T Program. The participants were able to ride along on the Emergency Vehicle Operators Course which is a timed course at the Fulton County Public Safety Training Center that demonstrates skid recovery, braking exercises, parallel parking, safe backing exercises and controlled intersections.

G.R.E.A.T. Program

(Gang Resistance Education and Training)

Sergeant C. Wilson

The goal of the G.R.E.A.T. Program is to help youth avoid gang membership, prevent violence and criminal activity, and develop a positive relationship with law enforcement. This program provides a school-based program that includes classroom instruction and various learning activities conducted by sworn/certified criminal justice professions.

The program is intended as a deterrent against delinquency, youth violence, and gang membership for children who are near the prime age for introduction to gangs and delinquent behavior. The G.R.E.A.T. curriculum has been delivered to more than 6 million children by trained and certified officers around the United States.

Sergeant Wilson continues to do a great job with the children at Asa G. Hilliard Elementary School, located in East Point.

Student Intern Program

The Student Internship Program is designed to provide college students with an opportunity to learn about the Georgia Criminal Justice System through observation of courtroom proceedings, field operations and administrative functions. When students complete the Internship Program it is our desire that they are able to satisfy their college internship requirements, gain a better understanding of the criminal justice system and possibly interest them in law enforcement careers.
